Leadership & Education: Curriculum development, competency assessment, clinical preceptorship, program coordination, quality improvement, hospital accreditation

Frameworks & Standards: Lean Six Sigma (Green Belt), MNGHA policy & procedure, CTAS triage protocol

WORK EXPERIENCE

Nursing Career Development Program & Intern Coordinator (NCDP) | Prince *Mohammed Bin Abdulaziz Hospital* | Madinah, Saudi Arabia Nov 2022 – 2025

- Coordinated onboarding, training schedules, and competency tracking for 30-nurse NCDP cohorts across multiple units, ensuring structured professional development from orientation through independent practice.
- Designed, reviewed, and updated NCDP curricula and logbooks in compliance with Ministry of National Guard Health Affairs (MNGHA) policy and procedures.
- Mentored nursing interns throughout clinical placements, identifying individual growth opportunities and addressing performance gaps in collaboration with nurse educators and unit leaders.

- Organized clinical rotations, unit placements, and schedules for cohorts of 45 nursing interns per cycle; monitored attendance, progress, and completion of internship requirements.
- Served on the NCDP interview committee as a panel member alongside nursing services representatives.
- Facilitated bimonthly professional development sessions including Schwartz Rounds (6 per year), fostering a culture of reflective practice and staff well-being across clinical units.
- Contributed to quality improvement initiatives and hospital accreditation efforts by ensuring program documentation and reporting met institutional standards.

Emergency Room Nurse – Staff Nurse I | Prince *Mohammed Bin Abdulaziz Hospital* | Madinah, Saudi Arabia
Aug 2018 – Aug 2022

- Delivered comprehensive emergency nursing care to adult and pediatric patients in a high-acuity ED, consistently managing complex, time-sensitive presentations.
- Performed rapid triage for all incoming patients using CTAS guidelines, ensuring accurate prioritization and timely intervention.
- Collaborated with physicians and multidisciplinary teams during critical resuscitations and trauma activations.
- Served as team leader during shifts, managing staffing assignments, patient flow, and end-of-shift reporting.
- Provided emotional and psychological support to patients and families in high-stress emergency situations.

NICU Nurse – Staff Nurse I | Maternity *and Children Hospital* | Madinah, Saudi Arabia Aug 2017 – Feb 2018

- Delivered specialized nursing care to critically ill neonates, including monitoring vital signs, managing ventilatory support, and administering medications.
- Provided family education and emotional support throughout neonatal ICU admission and discharge planning.

Emergency Room Nurse – Staff Nurse I | *Al-Ogaly Polyclinics* | Madinah, Saudi Arabia Nov 2016 – Apr 2017

- Assisted in emergency assessments and interventions in a fast-paced outpatient emergency setting.
- Supported physicians during procedures and patient stabilization across a broad range of presentations.
